Please feel free to invite a friend or coworker!

In order to keep our groups more intimate and productive for our members, we do not invite the entire group to each coffee, so please keep these dates...you may not receive an invitation to every event. However, we are planning a large event for the entire group for the fall.

If someone you invite is planning on coming, please have them email a 2-3 sentence bio to me along with contact information. I'm compiling a list to hand out at our events.

Thank you,

Nancy Coveleskie
