Rx101 Powered By America's Pharmacy Source is a revolutionary home delivery pharmacy service. We are focused on helping families, with a mission to provide affordable prescriptions shipped right to your door. Our experienced team of customer service and pharmaceutical professionals provide the highest level of care when patients need it most coaching them on the best products and practices as well as educating them on therapeutically similar options when available. All of our products and prescriptions are approved by the FDA and sourced in the United States. From acute to chronic needs, and over-the-counter options, our medications are some of the most cost effective in the industry.

AFFORDABLE DRUG PRICING FOR MEDICATIONS

ACUTE MEDICATIONS (Immediate Need)

If you have an immediate need for these types of medications, we have included a prescription card in the welcome packet to use at a retail pharmacy. This card includes the top 83 most prescribed acute medications for a \$5.00 payment, for up to a 21day supply at over 64,000 pharmacies nationwide.

ACUTE MEDICATIONS (Immediate Need)

Maintenance drugs are medications prescribed for chronic, long-term conditions and are taken on a regular, recurring basis. Examples of chronic conditions are high blood pressure, high cholesterol and diabetes, to name a few. These drugs are well-established medications that have proven safety and efficacy and are considered first-line therapy options for the treatment of common chronic conditions.

OVER-THE-COUNTER MEDICATIONS (Everyday)

America's Pharmacy Source offers the most common Over-The-Counter medications, such as Ibuprofen, Acetaminophen, Fexofenadine, Diphenhydramine and others at a fraction of the price. We know the little things add up each month so we aim to save you money on the medications you use everyday.

DIABETES (SaveOn Diabetes)

SaveOn Diabetes is our game-changing program for members with Diabetes in which they will get a FREE meter, low cost testing strips, lancets and more. Many people have diabetes and one in three Americans are pre-diabetic, make sure you are keeping an eye on the warning signs.

Coming Soon: All Rx101 members will soon have access to injectable insulin at great savings! Stay tuned for details.

OUR MEDICATIONS ARE ALL SOURCED IN THE U.S.A.

All medications are produced under the highest quality standards and are sourced in the United States of America to ensure our members have genuine high-quality drugs. It is not uncommon to find companies getting their drugs from overseas where there are no set standards and no way to know if the medications are even produced to specifications. We make sure our domestic products are tested and approved by the FDA.
